

Launch of PayPay for Apple Watch

PayPay Corporation, a joint venture of SoftBank Group Corp., SoftBank Corp., and Yahoo Japan Corporation, launched PayPay for Apple Watch, enabling some of the PayPay app features on iPhone implemented on Apple Watch as of September 11, 2019.

PayPay for Apple Watch is an app that allows features such as the barcode payments and balance display to be used on Apple Watch. PayPay users can make payments by having the merchant scan a barcode or QR code displayed on Apple Watch.

The features available for PayPay for Apple Watch is scheduled to further expand.
